

Product Name:

Adhesive Cotton Crepe Bandage

Product Code: HMSD.8697

Size Availability:

- 10 cm × 4/6 mtr (Stretched)
- 8 cm × 4/6 mtr (Stretched)
- 10 cm × 1 mtr (Stretched)
- 8 cm × 1 mtr (Stretched)
- Also available in required sizes

The **Adhesive Crepe Bandage (Non-Sterile)** is made from a high-quality woven fabric evenly coated with a **Zinc Oxide-based adhesive**, offering excellent adhesion, antiseptic, and anti-inflammatory benefits.

The bandage ensures **firm support and comfort**, while its porous construction allows proper air circulation, reducing skin irritation during prolonged use. Designed in a continuous length without joints, it provides smooth application and **painless removal** after use.

- **Zinc Oxide adhesive** ensures strong grip with minimal residue
- **Porous and breathable** design allows skin ventilation and moisture passage
- **Elasticated fabric** offers flexibility and comfort for joint movement
- **Smooth edges** prevent fraying and enhance durability

- **Easy to unroll and apply**, suitable for professional and emergency use

Usage:

- Provides firm support, immobilization, and pressure where required
- Ideal for **strapping fractures, muscle injuries, elbows, knees, and shoulders**
- Secures and supports **suture dressings** effectively
