The **Absorbent Cotton Roll** is made from **superior-quality cotton fibers** processed to ensure maximum purity, softness, and absorbency. It is ideal for **medical, surgical, and personal hygiene applications**, offering consistent texture and reliable performance.

Each roll is carefully prepared with **uniform layering and even edges**, ensuring easy handling and application. The cotton is **free from impurities, loose fibers**, and has a **high degree of whiteness (above 85%)**, meeting standard healthcare requirements.

- **Quick absorbency** for efficient wound care and cleaning
- **Uniform layers and edges** for smooth application
- **Free from foreign particles and loose fibers**
- **High whiteness** for purity and visual quality
- Suitable for **hospitals, clinics, and first-aid use**
