

Global suppliers of advanced medical technology reliable, affordable, and built with uncompromising quality standards.

Product Name:

Gamjee Roll

Product Code: HMSD.9876

Size Availability:

- 10 cm × 2.75 mtr
- 15 cm × 2.75 mtr
- Also available in **custom sizes upon request**

The **Human Medical Device Gamjee Roll** is made from high-quality, surgical-grade absorbent cotton covered with a soft, low-adherent gauze layer. It is designed to provide a gentle protective interface between the wound and the dressing, helping to prevent sticking and reduce patient discomfort.

- **Highly absorbent** cotton for effective wound care
- **Low-adherent gauze cover** prevents dressing from sticking to wounds
- Suitable for **primary wound dressings** or for use **over existing dressings**
- Promotes **faster healing** and protects against infection
- Ideal for **wound cleansing, medication application, and packing**
- Used for **swabbing and cleaning low-exudate wounds**
- Safe, hygienic, and suitable for all medical and surgical settings
