

**Product Name:**

## Gauze Cloth

**Product Code:** HMSD.9567

**Size Availability:**

- 90 cm x 16 mtr
- 90 cm x 18 mtr

The **Absorbent Gauze Cloth (Non-Sterile)** is a high-quality medical-grade cotton fabric widely used in hospitals, clinics, and first-aid applications. Known for its **softness, high absorbency, and durability**, this gauze cloth provides a reliable and hygienic solution for various wound-care and procedural needs.

Made from **100% cotton**, the fabric allows excellent air circulation, ensuring quick drying and maintaining a clean wound environment. Its **non-sterile** nature makes it ideal for general medical use, where sterilization is not mandatory.

- Crafted from **premium medical-grade cotton gauze**
- **Soft and gentle** on the skin to prevent irritation
- **Highly absorbent** — manages wound exudate effectively
- **Latex-free** to minimize allergic reactions
- **Non-sterile**, suitable for multiple clinical and general care uses
- Available in **various sizes** for versatile medical applications

**Usage:**

- For cleaning, dressing, and packing wounds
- As absorbent padding under dressings or bandages
- For post-operative care and general medical procedures
- Useful in **first-aid kits, dental care, veterinary applications, and laboratory use**

**Human Medical Device**
