Absorbent Gauze swab

Product Code: HMSD.7878

Size Availability:

- 5 cm × 5 cm × 8 ply / 12 ply / 16 ply
- 7.5 cm × 7.5 cm × 8 ply / 12 ply / 16 ply
- 10 cm × 10 cm × 8 ply / 12 ply / 16 ply

The **Human Medical Device Gauze Swab** is made from premium-quality cotton gauze fabric that is soft, highly absorbent, and gentle on the skin. Each swab is **bleached with hydrogen peroxide and demineralized water**, ensuring purity and safety for medical use. These swabs are **sterilized using gamma radiation**, providing long-lasting sterility and reliability for surgical and wound care applications.

All swabs undergo **rigorous quality control testing** for cloth construction, absorbency, and softness, in full compliance with **Pharmacopeia standards**. Available with or without **X-ray detectable lines**, these swabs are suitable for hospitals, nursing homes, and other healthcare settings.

- **High absorption capacity** for effective wound management
- **Folding edges** prevent loose threads and lint formation
- Made from **fine cotton gauze fabric** for superior softness

- **Sterilized by gamma radiation** for long-lasting protection
- Ideal for **cleaning, dressing, and swabbing low-exudate wounds**
- Manufactured according to **Pharmacopeial quality standards**
