

Global suppliers of advanced medical technology reliable, affordable, and built with uncompromising quality standards.

**Product Name:**

# IV Cannula Fixator

**Product Code:** HMSD.9065

**Size Availability:**

- Standard Size – Regular
- Also available in required sizes

The **Cannular Fixator** is designed to provide secure and comfortable fixation of IV cannulas and catheters. It comes with an **extra strap for added reinforcement**, ensuring stability and preventing accidental movement during medical procedures.

Made with a **non-allergic adhesive** and breathable material, it allows proper air circulation while minimizing skin irritation. Its **paper liner backing** enables easy, painless removal without leaving residue or marks on the skin.

- **Extra strap** for enhanced fixation and catheter stability
- **Breathable adhesive pores** allow skin ventilation
- **Soft and non-irritant** for sensitive skin
- **Easy and painless removal** with paper liner
- **Non-allergic and residue-free** design

**Usage:**

- Apply with light stretch at the site of **IV cannula or catheter insertion**
- Ensures secure placement and patient comfort during medical use
