

Global suppliers of advanced medical technology reliable, affordable, and built with uncompromising quality standards.

**Product Name:**

## Bedpan

**Product Code:** HMSD.9024

### Size Availability

- 14" x 11 3/8"
- Bedpan available in Seamless, Jointed, and Round Type designs - as per customer requirement

Our **Stainless Steel Bedpans** are specially designed for elderly men and women, ensuring comfort, hygiene, and durability. Made from high-quality autoclavable stainless steel, these bedpans are ideal for hospitals, clinics, nursing homes, and home healthcare use.

A **bedpan** serves as a hygienic receptacle for bedridden patients, enabling easy toileting for urinary and fecal discharge. Commonly required by patients with conditions such as Alzheimer's, Parkinson's, stroke, or post-surgical immobility, these bedpans ensure convenience and safety in care.

Crafted with a **curved ergonomic design**, the pan comfortably fits the patient's body and features a splash-proof edge to minimize spills. The **stainless steel construction** makes it rust-resistant, easy to sterilize, and reusable for long-term use.

## Features

- Autoclavable and High Quality – Made of durable stainless steel for long-lasting performance
- Comfortable Design – Ergonomically curved edges provide a secure and comfortable fit
- Easy to Clean – Smooth surface allows hassle-free cleaning and disinfection
- Versatile Use – Suitable for hospitals, nursing homes, and home healthcare settings
- Multiple Variants – Available in Seamless, Jointed, and Round Type designs
- Hygienic & Safe – Corrosion-resistant and designed for patient comfort and hygiene
