

Product Name:

Instrument Sterilizer

Product Code: HMSD.6787

Size Availability

- 10" × 5" × 3"
- 12" × 6" × 4"
- 14" × 6" × 4"
- 15" × 12" × 3"
- 16" × 6" × 4"
- 16" × 8" × 6"
- 18" × 8" × 6"
- 20" × 8" × 6"
- 24" × 8" × 6"
- 24" × 12" × 8"
- 24" × 12" × 12"
- Also available in customized sizes

Our **Electric & Non-Electric Instrument Sterilizer** offers a reliable and efficient solution for sterilizing surgical and medical instruments. Made from **high-quality Stainless Steel**, it ensures exceptional **durability, corrosion resistance, and hygiene**. Designed for **clinics, hospitals, and nursing homes**, this sterilizer effectively eliminates bacteria, viruses, and microorganisms to ensure that

instruments remain completely germ-free.

The sterilizer's **advanced heating system** (in the electric model) ensures quick and uniform heat distribution, while the **non-electric version** provides dependable sterilization through alternative heat sources. Compact and easy to use, it delivers **maximum efficiency** and long-lasting performance for everyday medical use.

Features

- Available in both Electric and Non-Electric models
- Made from premium-grade Stainless Steel for durability
- Ensures effective sterilization of instruments and tools
- Eliminates bacteria, viruses, and other microorganisms
- Easy to use and clean; designed for long-term performance
- Suitable for hospitals, nursing homes, dental, and surgical use
- Efficient heat distribution ensures thorough sterilization

Human Medical Device
